## IMMEDIATELY FOLLOWING THE SUCCESSFUL

completion and dedication of the Slezak Multimedia and Technology Centre on the Gandel Campus last year the Executive regrouped to plan the next steps for the advancement of the Foundation.

Time has been spent, in addition to securing pledges, in developing ways that can progress the College both in terms of fundraising and connecting with our Scopus community. 'Our Shared Vision' Campaign, launched by President Clinton, has now raised \$13,631,000 in pledges. Thank you all for your continuing generosity and your acknowledgement of the value of the Scopus experience.

One element of our strategy had suggested the reorganisation of the Executive. At the 2005 AGM, Life Foundation Executive members Jack Hansky and Roy Tashi passed on their Vice Presidency roles to Sam Alter and Stewart Baron. We thank Sam and Stewart for accepting these roles and responsibilities.

Additionally, Johnny Baker, Michael Karp, Earle Sacher and Nathan Shafir kindly offered to alter their status, which paved the way for Paul Bassat, Russell Casper and Michael Slonim to join the Executive.

We take this opportunity to publicly acknowledge Johnny, Michael, Earle and Nathan, for their valuable contributions to the Foundation's achievements over many years and thank them for their offer to informally continue their involvement.

At the AGM we were pleased to honour Michael Karp's longstanding dedication over 18 years with the bestowal of Life Foundation Executive member status. Mazal Tov!

New members Paul, Russell and Michael, as younger parents of the College, bring to the table different perceptions and we have enjoyed their viewpoints.

Our future plans also involve investing in programs to reach out to various Scopus community constituents from our 'Founders and Friends' right through to our young alumni group, 'Foundation for the Future'.

To the 2006 Executive we express our deepest appreciation: Thank you to Sam Alter, Stewart Baron, Paul Bassat, Joey Borensztajn, Russell Casper, Jack Hansky, Michael Slonim, Roslyn Smorgon, Roy Tashi, College President, Ann Wollner and Executive Director, Marilyn Simon.

And on behalf of all Foundation members, we sincerely thank all College staff and Ann Wollner, College President, together with the College Executive and Councillors for their commitment.

At this time we especially note our warm appreciation of the dedication, leadership and cooperation of Hilton Rubin as Principal for the last 10 years and during his time as Head of the primary school. It will be our pleasure to pay tribute to him at our Annual General Meeting on 21 November. We hope you will join us on that occasion to say farewell and thank you.

Thank you all for your generosity, support and acknowledgment as we join together with the

### WE ARE HONOURED

Scopus Stalwarts and Foundation Executive members Roy Tashi and Roslyn Smorgon were both honoured during the year.

Although their public recognition acknowledges commitment to many causes we know, appreciate and enjoy their immense contribution to Mount Scopus College and the Foundation.

Roy was awarded an OAM in the Queen's Birthday Honours list and Roslyn was distinguished by an Emunah Tribute Dinner in September. Kol Ha Kavod and Mazal Tov.

your bequest  
is the ultimate gift

a bequest in  
your will is  
one of the  
simplest ways  
to make a gift  
and perhaps  
at a level  
not possible  
during your  
lifetime...

Your way of giving back  
to our future... the future  
of Mount Scopus College  
and of the Melbourne  
Jewish community.

Unless directed otherwise,  
your Bequest will be added to an  
endowment managed by the  
Mount Scopus College Foundation  
which funds

- › subsidised tuition fees for students  
who would otherwise be excluded
- › scholarships
- › additional programs
- › development of facilities

Bequests may take a number  
of forms

- › a specific sum of money
- › a percentage of an Estate
- › property
- › shares
- › articles of value

By informing us about your Bequest,  
you allow us to thank you and  
recognise your gift during your  
lifetime.

After considering the needs of your family  
we encourage you to have the strength  
and courage to provide for our future by  
making the College a beneficiary of  
your Will.

We suggest you consult your solicitor or  
trustee to have a Will prepared or to add  
a codicil to an existing Will.

Please take a moment to consider your  
Bequest today.

Marilyn Simon, Foundation Executive  
Director, welcomes your enquiry in  
the strictest confidence and can  
provide your solicitor or accountant  
with the appropriate wording for  
insertion in your Will.  
Please call +61 3 9888 9044.

Thank you

We take this opportunity to express our  
appreciation to the thoughtful people  
from whose Estate the College has  
benefited and to those who have recently  
included Mount Scopus College as a  
beneficiary in their Will.

MORE TAX BENEFITS

TAX DEDUCTIBLE SCHOLARSHIP FUND  
The Australian Tax Office has recently  
released details of the new Deductible Gift  
Recipient Scholarship Funds. We are  
currently in the process of applying for our  
**tax deductible Scholarship Fund** and  
expect it to be operational by the end of  
the year. We look forward to sharing the  
specific criteria and how you may become  
involved in this positive development as  
soon as possible.

We note our appreciation to Joey Borensztajn  
and Arnold Bloch Leibler for their assistance  
and expertise in this regard.

FOR USA RESIDENTS  
If you are resident in the United States,  
you may give to Scopus and receive a  
tax deduction in America by giving through  
the **British Schools and Universities  
Foundation, Inc** (BSUF). They are a catalyst  
enabling alumni and friends to make tax  
deductible donations with the option of  
nominating approved institutions for a grant.

As a result of the availability of this vehicle  
for giving we are delighted to announce the  
**inaugural King-Smith Family Scholarship**  
which has been awarded for 4 years to a new  
student who will be commencing at Scopus in  
2007 at year 9. A warm thank you is extended  
to Eric and Roxie King-Smith for their support  
and generosity and their desire to 'give back'.

We thank Dr Steven Lorch for agreeing to be  
our U.S. representative for this purpose.

## THE MOUNT SCOPUS COLLEGE FOUNDATION

was established in 1987 to be responsible for major fundraising to advance the College. Funds raised can be applied to capital works, endowment, tuition fee subsidies, debt reduction and various programs.

Members of the Foundation include corporations, individuals and families and classifications of membership are dependent on gift level. Entry level requires a pledge of \$20,000 which may be paid over an agreed term.

Through the generosity of its members, the Foundation has raised in excess of \$31,000,000 since 1987.

The Chairman of the Foundation, since inception, is Solomon Lew and the current President, Henry Lanzer, was appointed in 1996. The goals of the Foundation are pursued by an Executive Committee supported by an Executive Director, currently Marilyn Simon.

### FOUNDATION HIGHLIGHTS

## FROM THE VERY BEGINNING OF THE LION OF

Judah along with our motto "chazak ve'ematz" (be strong and of good courage) have symbolised everything for which Scopus and its community are renown. We all proudly identify with them, both of which communicate the strength and courage required to advance our vision on a daily basis.

It is this strength and courage, coupled with need, that drives and motivates the volunteers and supporters of the Foundation. The need for funds to support everything that makes a Scopus education great and the need to help even more children enjoy the Scopus experience.

As the Foundation enters its twentieth year we note with gratitude the strength of the Executive and their outstanding and often, long-term commitment.

Our Chairman, Solomon Lew, has been a 'constant' from the beginning (1987), as has Roy Tashi. Jack Hansky and Joey Borensztajn joined soon after. Henry Lanzer is completing his tenth year as President and Roslyn Smorgon enjoys a similar length of service. Sam Alter came on board in 2001, Stewart Baron more recently, with both accepting the roles of Vice – Presidents. This year we welcomed Paul Bassat, Russell Casper and Michael Slonim who join a group who truly understand dedication.

To all of the Foundation Executive, I say a warm 'toda raba' on behalf of our community. We are genuinely blessed by your strong, and sometimes courageous, caring and involvement.

To our donors, who respond with such generosity, we also owe a depth of gratitude.

Again this year I thank Roslyn and David Smorgon, Rosie and Sol Lew, Paula and Jack Hansky, Jeff Simon, Arnold Bloch Leibler and Century Plaza for hosting our meetings.

And to all my colleagues at Scopus, especially Jan Whytcross, who joined our office this year, your assistance is valued.

Thank you all for sharing your  
**“Strength and Courage to Build our Foundation for the Future”**

09

**please look out for your invitation!**

**The Foundation will be hosting evenings early in the new year specifically for parents of current students to learn about the Mount Scopus College Foundation...**

**Who we are, what we do, why our work is important, its impact for our children and the future Melbourne Jewish community and how you may become involved.**

Attendance at these functions at the homes of Sharon and Paul Bassat and Louise and Russell Casper will be without any obligation. Please look out for your invitation early in the new year.
