**MOUNT SCOPUS  
COLLEGE FOUNDATION  
ANNUAL REPORT**

We thank you for taking the time to read our 2007 Annual Report which reviews the activities and progress of the Mount Scopus College Foundation.

## From the Chairman and the President

**Solomon Lew**  
Chairman

**Henry Lanzer**  
President

2007 has been a busy and productive year for the Foundation as we provided opportunities for members and other Scopus affiliates to meet new Principal, Rabbi James Kennard, and to hear first-hand of the school's future plans. At many of these occasions it was also our pleasure to introduce incoming College President, Lisa Kennett. It was clear from their popularity and the favourable reviews that our supporters welcomed these experiences and the chance to become better informed.

Events included:

- Numerous individual presentations for our College benefactors and involved supporters.
- A Foundation 'information' evening for all parents, kindly hosted by Sharon and Paul Bassat.
- An evening to introduce Rabbi Kennard to our younger alumni and future parents, initiated and hosted by Lisa Farber and Justin Liberman.
- Two evenings to introduce Rabbi Kennard and Lisa Kennett to Foundation members, generously hosted by Roslyn and Richard Rogers and by Louise and Russell Casper.
- A morning for our Founders and Friends group (mature alumni, founders, past parents and staff) which not only introduced our new leadership but also provided a progress report by Helen Synman in regard to the organisation of the College's memorabilia and archive material.

In addition to this program, our fundraising efforts continued and we are delighted to welcome 6 families as new members since the last Annual General Meeting. Please join us at the AGM on 28 November when we will formally acknowledge their generosity, along with those who have risen to the next level of membership.

This year also saw the official introduction of the tax deductible Mount Scopus College Scholarship Fund which will provide another worthwhile vehicle for support.

Our Foundation achievements are testament to the active involvement and support of our Executive and we express our sincere appreciation to Vice-Presidents Sam Alter and Stewart Baron together with Paul Bassat, Joey Borensztajn, Russell Casper, Jack Hansky, Michael Slonim, Roslyn Smorgon, Roy Tashi and Executive Director, Marilyn Simon.

And on behalf of all Foundation members, we sincerely thank Principal, James Kennard, and all College staff together with the College Executive and Councillors for their time and commitment.

We take this opportunity to thank Ann Wollner, who retired as College President in May, for her tireless efforts and dedication. We warmly welcome Lisa Kennett to this role and look forward to a rewarding relationship as she and her team work together with the Foundation to pursue the school's goals.

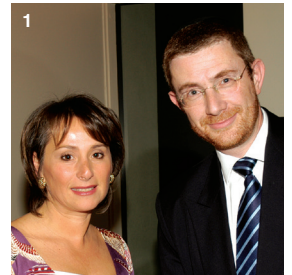

And by no means least, thank you, our Foundation members, for your continuing generosity and interest. You are indeed a special group of people who do make a difference to the College and, consequently, to the Melbourne Jewish community.

2008 is shaping up to be an exciting and challenging year. We will be launching a new campaign to fund a major, 'whole school' redevelopment foreshadowed by the College leadership this year. We look forward to sharing our redevelopment plans with you as soon as possible and have every confidence, that together, we will provide the "Strength and Courage to Build our Foundation for the Future".

## New look

You may have noticed the Foundation's fresh, new look! Whilst developing a more contemporary 'feel' we have remembered our heritage by adopting the Scopus lion as our symbol together with a derivative of the school motto 'Chazak Ve'ematz'.

We think it says it all: "Strength and Courage to Build our Foundation for the Future"

We thank Henry Birman and his team at Henry Birman Design for donating their time and expertise to achieve our new image.

## We are Honoured

We are delighted that the enormous and sustained efforts of Roslyn Smorgon have been officially and publicly recognised with the awarding of an AM. This award acknowledges commitment to so many causes, but we especially appreciate her immense contribution to Mount Scopus College and the Foundation over many years.

## From the Executive Director

Mount Scopus College is an unique school. Sometimes it takes an 'outsider' or someone seeing it for the first time to remind us of its special qualities.

This year I have had the privilege and pleasure of introducing Rabbi James Kennard, our Principal as of January, to our benefactors, supporters and 'caretakers' of Scopus. I thank him for the time and energy he has devoted to all these occasions.

As I listened to James communicate his impressions and perceptions of Scopus and of the Melbourne Jewish community, I have become even prouder of our school and the opportunities it affords our students every day - students from all sectors regardless of their academic or financial capabilities. The diversity of Scopus must be one of its great strengths.

And, if possible, I have become more passionate about why we must give Scopus the 'wings to fly' by way of financial support. The College proudly continues to subsidise the tuition fees of a quarter of its students, and for this reason the income Scopus receives from fees and government funding does not cover ongoing development. The Scopus our students enjoy today is the tangible expression of the work of the Foundation and the generosity of benefactors. To our donors goes my sincere and warm appreciation.

I take this opportunity to express my gratitude, both personal and on behalf of the College, for the commitment, care and dedication of Solomon Lew, Henry Lanzer and each one of the Foundation Executive. I also thank Rosie and Sol Lew, Jeff Simon, Sylvia and Roy Tashi, Arnold Bloch Leibler and Century Plaza for hosting our meetings.

And thank you to all my colleagues at Scopus, especially Jan Whytcross, Foundation Administration Manager, for your valuable assistance and cooperation.

The College will shortly reveal exciting plans for a much needed major redevelopment. It will be up to all of us to ensure their achievement with the "Strength and Courage to Build our Foundation for the Future". There will always be opportunities to match your area of interest with the school's needs. Please call me to discuss yours.

Marilyn Simon

## Shalom

It is with great delight that the College farewells its largest ever Year 10 group to participate in our Israel Experience programs. 73 students will enjoy either a 6, 8 or 13 week program and we know will return with a stronger Jewish identity and commitment to Israel and their heritage.

We gratefully acknowledge and appreciate the support and involvement of the Helen and Bori Liberman family.

## Your Bequest is the ultimate gift.

A Bequest in your Will is one of the simplest ways to make a gift and perhaps at a level not possible during your lifetime.

A way of building upon our foundation.

A way to ensure a Jewish future for our community.

### Will your Bequest make a difference?

Most definitely. Every Bequest, large or small, will make a unique contribution to the school and our students, and ultimately, to our community

### How will your Bequest be used?

Unless directed otherwise, your Bequest will be added to an endowment managed by the Mount Scopus College Foundation which funds

- subsidised tuition fees for students who would otherwise be excluded
- scholarships
- additional programs
- development of facilities

### How do you make a Bequest to Scopus? Do you need to change your Will?

After considering the needs of your family we encourage you to provide for our future by making the College a beneficiary of your Will. Adding a codicil to an existing Will may be an inexpensive option. We suggest you consult your solicitor or trustee or ask us for our recommendation.

### What form may your Bequest take?

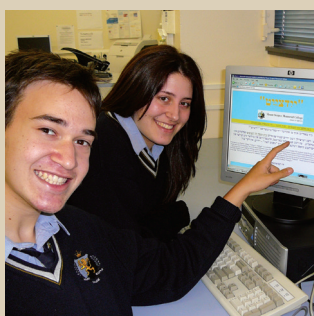

- A specific sum of money
- A percentage of your Estate or the residue of your Estate
- A specific asset, such as property or shares
- Articles of value, such as art work

### Should you tell Scopus you are making a Bequest?

By informing us, you allow us to thank you and show our appreciation by recognising your gift during your lifetime.

We take this opportunity to express our appreciation to the thoughtful people from whose Estate the College has benefited and to those who have recently included Mount Scopus College as a beneficiary in their Will.

Marilyn Simon, Foundation Executive Director, welcomes your enquiry in the strictest confidence and can provide your solicitor or accountant with the appropriate wording for insertion in your Will. Please call +61 3 9834 0124

### In memory

The College and the Foundation notes with sadness the recent passing of Susie Rockman. Susie and Norman Rockman were strong supporters of the College and dedicated the original Susie and Norman Rockman Library. Susie also kindly assisted with its redevelopment in 2005, ensuring a lasting legacy. We wish their family 'Long Life'.

acknowledge and  
sincerely thank

# Foundation

Mount Scopus Memorial College

## Why was the Mount Scopus College Foundation established?

It was created in 1987 to be responsible for major fundraising to advance the College. Funds can be applied to capital works, an endowment, tuition fee subsidies, debt reduction and various programs.

## Who can be members?

It is open to everyone. Members include corporations, individuals and families from every sector of the community. Classifications of membership are dependent on gift level. Entry level requires a pledge of \$20,000 which may be paid over an agreed term.

## What has it achieved since 1987?

Since 1987, through the generosity of its members, the Foundation has raised in excess of \$31,000,000 which has funded programs, resources, facilities and investments.

## How is it managed?

The goals of the Foundation are pursued by an Executive Committee in close consultation with the Principal, College President and their Executive.

The Chairman of the Foundation, since inception, is Solomon Lew and the current President, Henry Lanzer, was appointed in 1996. Marilyn Simon is the Executive Director, assuming the role in 1996.

## Is your donation tax deductible?

The Mount Scopus College Foundation, the Mount Scopus College Scholarship Fund and the Mount Scopus College School Building Fund are all tax deductible entities. If you are resident in the United States, or have business interests there, you may give to Scopus and receive a deduction via the IRS by giving through the British Schools and Universities Foundation, Inc (BSUF). They are a catalyst by which you can make tax deductible donations with the option of nominating approved institutions for a grant. Please go to [www.bsuf.org](http://www.bsuf.org) or contact Marilyn Simon, [msimon@scopus.vic.edu.au](mailto:msimon@scopus.vic.edu.au), for more information.
